

AAII's Video Education Suite (VES) Class Features & Highlights

AAII's VES Classes are professionally produced, full-featured, interactive investment education classes. VES Classes are open to both AAII members and nonmembers and are delivered through a comprehensive learning management system (LMS). VES Classes feature numerous experts presenting on various topics in their specific areas of expertise. Many VES Classes include free educational software that can be used for learning along with the class and for real-world applications. Lastly, most VES Classes include a Certificate of Completion and credits that can be accrued and applied for EI Course Certification, AAII membership, and AAII premium product benefits.

A detailed list of VES Class features is provided below.¹

VES Class Highlights

- Professionally produced studio-grade video with engineered audio
